WHAT IS CAMP?

College Assistance Migrant Program

- There are about 40 CAMP projects nationwide.
- Funded by the U.S. Department of Education at Michigan State University.
- CAMP assists students who are migratory or seasonal farmworkers (or children of such workers) enrolled in their first year of undergraduate studies.
- CAMP projects serve approximately 2000 students annually.
- CAMP assists students in their first year of college with academic, personal, and financial support.

Overall, nearly three-quarters of all CAMP students graduate with baccalaureate degrees.
